S10Supplies Environmental Policy.

S10 Supplies Ltd is committed to conducting business in an environmentally responsible manner. This policy outlines our commitment to sustainability, compliance with environmental laws and regulations, and continuous improvement in environmental performance.

Scope

This policy applies to all employees, contractors, and stakeholders involved in our operations and activities.

Policy Statements

1. Compliance with Laws and Regulations

- We will comply with all relevant environmental laws, regulations, and standards.
- We will obtain and maintain all necessary environmental permits and licenses.

2. Pollution Prevention and Resource Management

- We will implement measures to prevent pollution and minimize waste production.
- We will strive to reduce resource consumption, including energy, water, and raw materials.
- We will promote recycling and the use of sustainable materials.

3. Continuous Improvement

- We will set and review environmental objectives and targets to drive continual improvement.
- We will regularly monitor and audit our environmental performance.

4. Employee Engagement and Training

- We will provide training and resources to ensure employees understand and can fulfil their environmental responsibilities.
- We will encourage and empower employees to participate in environmental initiatives.

5. Sustainable Practices

- We will integrate environmental considerations into our business planning and decision-making processes.
- We will support and implement practices that promote sustainability in our operations, products, and services.

6. Stakeholder Engagement

- We will communicate our environmental policy and performance to stakeholders.
- We will work with suppliers, customers, and partners to promote environmental sustainability throughout the supply chain.

7. Biodiversity and Habitat Protection

- We will take measures to protect and enhance biodiversity and natural habitats impacted by our activities.
- We will assess and manage the environmental impact of our projects and operations.

Responsibility and Review

The implementation and oversight of this policy are the responsibility of the Operations Director. This policy will be reviewed annually and updated as necessary to ensure its continued relevance and effectiveness.

Approval.
